Core business

PHASE 2 **Skill development**

> This skills were developed by listening and applying the advices given by professional coaches (supervisors) and mentors. it was also done by joining professional bosies such and the Royal Society of Chemistry, American Chemical Society and the Chemical Society of Nigeria. this enables me to connect with different people in the field and know new areas of research and skills that would need further development. I also enjoy teaching, not just in classroomas but in conferences and other presentations.

PHASE 1 **Evaluation**

> This is done by listening to constructive critism and evaluations from team members and mentors. I also engage in feedback meetings and assesment
